Best Questions to Ask Your Landscaping Company

1. **What type of formal training and / or certifications does your company have?**

2. **Has your company had any legal claims filed against it? If so, what was the nature and how was it resolved?**

3. **Do you offer warranties on your materials and service? If so, for how long and what is covered?**

4. **What does your company offer that the others do not?**

5. **How many projects have you completed similar to what I'm interested in and can you provide photos, a design and 3D imaging?**

6. **Can you provide 3 customer references?**

7. **Is your company licensed and bonded to perform this work?**

8. **Is your company a licensed General Contractor?**

9. **How long have you been in business?**
